Date: October 4, 2022

**To: Mayor Robertson
City Council Members
Utility Board Members**

From: Kenneth L. Shoning Jr., Landfill Leadman

Subject: Landfill monthly report

The tonnage report for the month of September 2022 is as follows

--Class I year to date total tons:	5401.21
--Class I year to date daily average:	19.78
--Class III year to date total tons	7917.25
--Class III year to date daily average:	29.00

During the month of October reassembly of the dozer started and is expected to be ready to use in the coming weeks. We did preventative maintenance on both loaders. A new starting point for Class I was established in anticipation of the new lift.

Safety shares have gone over moving heavy objects, Situational awareness, fire prevention and cyber security.

Respectfully,

Ken Shoning Jr.
